

OAK HARBOR AREA CHAMBER OF COMMERCE

Gift Certificate Program

The Oak Harbor Area Chamber of Commerce is pleased to bring patrons into your business by selling gift certificates which are redeemable at participating locations. Many employers in the county utilize our gift certificate program for bonuses, safety quota awards, and patron "Thank You"s. This program is used by many chambers in Ohio. It is reported that thousands of dollars have been kept in their own community by implementing this opportunity!

Participating businesses: When presented with the gift certificates by patrons, accept the certificate like cash. The certificate is then turned into the chamber and your business is reimbursed for the full gift certificate amount. Do not miss out on the opportunity to bring people into your business!
